

FACILITATION SERVICES – SURROGACY JOURNEY

At Family Source, we understand the profound emotional and intimate nature of the surrogacy journey, especially when intended parents choose a family member or friend as their gestational surrogate. Our facilitation services option is designed to provide comprehensive support and guidance throughout the process, ensuring a smooth and secure experience for all parties involved.

KEY ASPECTS OF OUR FACILITATION SERVICES – SURROGACY JOURNEY

1. Thorough Screening of Surrogate Candidate:

To ensure your surrogate candidate meets American Society of Reproductive Medicine (ASRM) surrogacy criteria we conduct a consultation with your surrogate candidate, collect pregnancy records, conduct psychological assessments, and background checks all to safeguard the health and well-being of both the surrogate and the intended parents.

2. Coordination with Surrogacy Professionals:

Our team will coordinate with a network of experienced surrogacy professionals, including fertility clinics, legal experts, escrow management, and mental health specialists, and facilitate communication and collaboration between all parties to ensure that every aspect of the surrogacy journey is managed efficiently and effectively.

3. Legal Guidance and Contractual Agreements:

Navigating the legal complexities of surrogacy is crucial and we provide access to specialized legal counsel to draft and review all necessary contracts and agreements to ensure the rights and responsibilities of the intended parents and surrogate are clearly outlined and protected.

4. Facilitation of the Surrogacy Journey:

We offer ongoing support and facilitation throughout the surrogacy journey, from the initial stages to post-birth arrangements. Our dedicated and experienced team is available to address any concerns, answer questions, and provide guidance at every step of the process.

5. Ongoing Support for All Parties:

Building a family through surrogacy can be emotionally demanding and we provide continuous emotional support for both the intended parents and the surrogate. Our support services include regular check-ins, surrogate access to our support group, and resources to help manage the emotional aspects of the journey.

Choosing the facilitation services option with Family Source Consultants means embarking on your family-building journey with confidence and security. We are dedicated to making your dream of parenthood a reality, allowing you to focus on what truly matters: building your family.
